The New World Order Past and Present and the Adepts

“On a Sea of Contaminated Blood”

Adam Wieshap said when he started the Illuminati in 1776 to hide, conceal and when ready reveal. Three years later he said when we do reveal we will arrive on a sea of blood.

The new world order is here and contaminated blood is everywhere. Author Gary Fraughen's new book **The New World Order Past and Present and the Adepts** explains through history how this so called conspiracy is real.

Year by year through history he takes us through their concepts and the page by page read is terrifying and yet revealing.

You can purchase direct and help him through his 4th book on the Jesuits. His work is seminal.

The world awakes and is coming together to stop the madness and it is happening day on day. We will win.

Visit www.garyfraughen.co.uk for all three of his books. You will not be disappointed.
